COCHECHO FALLS MILLWORKS, DOVER, NH

Retail/Office Opportunity for Lease

3,000+/- SF of space located on Washington Street directly across from the new Children's Museum of NH and the Rotary Arts Pavilion and Henry Law Park. This highly visible location attract numerous visitors during summer events while the Children's Museum is on track to see 120,000 visitors this year. The Mill was originally built in 1870 as a textile mill and has been transformed into beautiful commercial space. Whether you're an office or retail tenant, the oversized windows, exposed brick, granite, and the rich patina of the massive wood beams all blend to provide a beautiful work environment. The landlord will work with any prospective tenant to meet their individual requirements. Call for details!
