 - e. All references to "Rules" shall mean these Park Rules and Regulations.
2. **Equal Housing Opportunity.** The Park complies with the 1988 U.S. Fair Housing Amendments Act and the 1988 Maine Human Rights Act, which make it illegal to discriminate against any person or persons because of race, color, age, religion, national origin, ancestry, familial status, physical or mental disability, handicap, sex, sexual orientation, or receipt of public assistance, in regard to the sale, rental, security, maintenance, and/or management practices of mobile home parks
3. **Management Rights.** Management shall retain all rights outlined in the Maine Mobile Home Park Law (10 MRSA Chapter 953) and those established in these Rules, along with any other rights necessary to fulfill Management's responsibilities and enforce community standards. Management reserves the right to inspect any lot, the exterior of any home and the crawl space for utility concerns or purposes at reasonable hours, with reasonable notice provided except in cases of emergency. Management also reserves the right to access common areas and individual lots as necessary for maintenance, safety, or compliance with community standards.
4. **Services Provided by Park Owner.**
 - a. Roads will be plowed by Park Owner as deemed necessary based on weather conditions.
 - b. Maintenance of roads and underground utilities up to the point of connection to home as defined in Section J - Utilities.

 - g. Weekly curbside pick-up of ordinary residential household trash.
 - h. Replace lamp post "dusk to dawn" light bulbs when necessary to maintain consistency.

This portal will enhance the communication between residents and management by easily tracking requests and notifications.
6. **Use of Amenities:** Amenities are for the exclusive use of residents and any guest should be accompanied at all times.
 - a. The Clubhouse has a separate set of rules and regulations that apply to its use and will be acknowledged by each resident.
 - b. Pickleball courts are eligible to be used by residents on a first come first serve basis at their own risk. Guests should be accompanied by the resident at all times. 7. **Liability and Indemnity.** Neither Management nor the Park owner or its agents is responsible for fire, theft, or damage in any manner to any home, vehicle, or other property of any resident or visitor of the Park, nor for any injuries to, or death of, any persons, it being fully understood that each tenant uses and occupies all Park property at his or her own risk; provided, however, that this provision shall not be interpreted or construed so as to absolve the Park owner or Management from liability for their own negligence or that of their agents.

Each resident shall indemnify, defend (with counsel acceptable to Park Owner) and hold harmless the Park owner and its agents from and against all claims, debts, actions, accounts due, sums of money, loss, cost, expense, covenants, contracts, controversies, damages, liabilities, executions, reckonings, bonds, specialties, indemnities, agreements, acts, omissions, demands, suits, judgments, rights and causes of action of whatever kind or nature, caused in whole or in part by, arising out of, or attributable to any matter for which the tenant is responsible under these Rules, including specifically in the foregoing, but not by way of limitation, all damage to property and injury or death of persons caused by the tenant or the tenant's children, family members, visitors, guests, invitees and other cohabitants.

8. **Insurance Coverage.** The Park carries standard property insurance. The Park's insurance policy does not cover loss or damage to the property of the Park's residents, or injury or death to any persons, in situations where the damage results from a resident's own negligence, failure to adhere to the Rules and Regulations, or any condition that is within the control of the resident. All residents must carry homeowner's insurance with personal liability. Upon request, residents must provide a copy of the declarations page.

B. PARK RULES & ENFORCEMENT.

1. **In General.** These Rules were developed to promote the health, safety and welfare of all tenants, their household members, guests, and invitees. Your cooperation in observing these Rules will help to assure all residents equal enjoyment of their homes and the entire community. Management endeavors to enforce these Rules in a fair and consistent way. Any failure of a tenant to observe and comply with any of these Rules will be considered unacceptable behavior, and a serious violation of the conditions of tenancy, which may subject the tenant to eviction from the Park. Tenant understands that any area of the park may be under video surveillance at any time.
2. **Management Intentions.** In the process of developing these Rules and Regulations for the general population of residents, we recognize there will be certain items that are not addressed. However, if brought to the attention of Management, we will rule on them keeping in mind the overall safety of residents and what is considered in good taste for a normal person in the sole opinion of management.
3. **Waivers.** When special circumstances require, Management shall have the right to waive any of these Rules with respect to any one or more residents, to prevent injustice or to take due account of any special considerations. Waivers must be in writing to be effective and signed by a representative of the Park Owner. Any waiver of one requirement shall not be deemed a waiver of any other requirement or Rule, nor shall a waiver for the benefit of any resident be deemed a waiver for the benefit of any other resident or individual.
4. **Violations and Fines.** Any tenant who has committed, or is responsible for, any violation of these Rules will receive at least one written violation notice, which will be served by Management. Any continuing violation of a provision of these Rules must be corrected within the time specified in the notice. The tenant will be fined for Rules violations in accordance with the fines listed on the Park Rate Schedule. All fines are due and payable with the monthly rent on the first day of the month after the charge was made.
5. **Termination of Tenancy.** Termination of tenancy will be conducted in accordance with Maine Mobile Home Park Law, specifically 10 MRSA §9097, which requires “just cause” for eviction. Grounds for eviction include:
 - a. Nonpayment of rent or other amounts when due, including non payment of utility or municipality
 - b. Failure to correct in a timely fashion any continuing violation of these Rules after notice
 - c. Receipt of any three (3) violation or nonpayment notices in any 12 month period, even if timely corrected
 - d. Repeated conduct that disturbs the peace or quiet or safety of other

Management will issue a written 30-day notice for any eviction, consistent with Maine’s requirements under 10 MRSA §9097(2). If the violation or default is not remedied within the notice period, Management may initiate legal proceedings to recover possession of the lot.

Management prefers to avoid evictions whenever reasonably possible. However, Management also intends to maintain the Park as a safe, attractive and healthy environment for all tenants, and will evict tenants when necessary. All tenants must pay their rent and other charges on time, and to observe all Park Rules, and are responsible for household members, guests, visitors, invitees, etc.

Tenants are subject to eviction not only for their own actions and behavior, but also for the actions and behavior of others for whom they are responsible under these Rules and/or state law. See 10 MRSA §9097(1)(A). Failure to pay all charges due within the 30 day period in the eviction notice shall result in termination of tenancy, and legal action to evict may be initiated in court. Those proceedings are governed by 14 M.R.S. Section 6002 et seq. and not by these rules.

C. ENTRANCE INTO THE PARK.

1. **Tenancy Application and Prior Approval for Admission.** All prospective tenants and household members are required to complete an Application, pay the application fee, and the tenant and his or her household member(s) must meet selection criteria, which may include, but are not limited to, a credit report, criminal background check, a brief interview, verification of employment and reference checks with former landlords and others, all of which must be satisfactory to Management, in its sole discretion. This is an age-restricted community under the federal Housing for Older Persons Act (HOPA). At least one occupant of each household must be 55 or older. No person under 40 may be a permanent resident unless extenuating circumstances warrant park approval. Management maintains HOPA-compliant policies and age-verification records

The boarding of individuals or renting of rooms is strictly prohibited. Unauthorized occupants must vacate within 72 hours of Management's notice, or the tenant will be subject to eviction proceedings.

D. RENT AND OTHER CHARGES; PAYMENT.

1. **Rent.** The monthly lot rent and late fees are specified on the Community Fee Schedule, subject to change with a minimum of 90 days' notice as required by 10 M.R.S. §9091-§9097. Rent is due on the first day of each month and must be paid through the Management portal. Late payments beyond the fifteenth of the month will incur a 4% late fee as permitted by Maine Law, applied as additional rent and payable immediately. Tenants may not withhold or deduct any amounts from rent payments for perceived debts or disputes with the Park Owner. All rent and other charges must be paid in lawful U.S. currency. Payments in cryptocurrency or other non-U.S. currencies will not be accepted.
2. **Other Charges.** Tenants are responsible for all other charges as shown on the Community Fee Schedule attached to these Rules and Regulations as well as for any work performed at their request that is over and above community obligations and that they acknowledge and approve. All payments other than lot rent and late charges, such as fines and fees from the Community Fee Schedule, and reimbursement of damage caused by the tenant, or caused by his or her household members, guests, visitors, or invitees, shall be deemed to be additional rent and are due and payable on the first day of the month after the charge was made.

In addition, tenants are responsible for the following charges:

- a. **Legal Fees** –Legal Fees. The Park may seek recovery of attorney's fees and court costs only as permitted by Maine law or by court order. 5. **Failure to Pay.** If rent or any other charges due are not received by the fifteenth day (15th) of the month, the tenant is subject to a late fee equal to 4% of the current month's past due, and to receiving a 30-Day Notice of Eviction. Tenants experiencing, or anticipating, financial difficulties that may lead to late fees are strongly encouraged to contact Management.
6. **Taxes and Utilities.** Tenants are responsible for paying all utility and municipal taxes and other taxes on their homes on a timely basis. If failing to do so, Management reserves the right to commence eviction proceedings.

E. OCCUPANCY.

1. **Owner Occupancy; Number of Occupants.** All homes must be owner occupied. As an age restricted park, residents seek peace and tranquility, and it is management's duty to promote that. Therefore, the number of residents will be limited to four unless extenuating circumstances arise. Any individuals not previously approved by written notice from management will be considered visitors.
2. **Additional Occupants: Restrictions on Visitors and Occupants**
Each home is limited to four permanent occupants, and any person not registered with management is considered a visitor. Visitors may stay up to fourteen (14) consecutive days or a total of sixty (60) days within a twelve-month period without additional registration. Any visitors exceeding these limits must be registered as additional occupants, subject to approval. Management reserves the right to deny entry to visitors who have previously violated community rules or have been subject to a No Trespass order. All visitors must comply with all of these Rules as they relate to behavior and activities in the Park. Tenants are responsible for any damage within the Park caused by or contributed to, and for behavior and actions of, their household members, guests, invitees, visitors and pets. Tenant may be subject to eviction based on the actions of his or her household members, guests, invitees, and visitors.
3. **Death of a Tenant.** In the case where a tenant dies, if there is a co-tenant the co-tenant will automatically become the tenant for the lot. If there is no co-tenant, the estate of the deceased tenant is the tenant. It is the responsibility of the estate to remove any resident(s) who have no ownership of the home. In either case, any pre-existing defaults by the tenant will continue as though there had been no change in tenancy. Any transfer of the home to the heirs of the deceased tenant, or to anyone else, is subject to all the restrictions and requirements of these Rules, including but not limited to all of the provisions of Section C Entrance Into the Park. If the rent is not paid following the death of a tenant, or in the event of any other violations of these Rules, the estate or co-tenant is subject to eviction in the same way as the original tenant.
4. **Emergency Inspection of Premises.** Management may enter a tenant's lot or home in case of an imminent safety issue with prior notice, or without notice if the tenant cannot be reached, to address any conditions that pose a risk to the community. Tenants will be billed for any repairs or services required due to negligence or non-compliance with these Rules. Management is not responsible for safeguarding tenant property, except as required to address immediate safety issues.
5. **Extended Absence from Community.** Residents who are going to be absent from the Community for more than thirty (30) days shall notify Management as to what arrangements have been made for the necessary home / lot care as well as any security arrangements. Management reserves the right to do any necessary work to protect community infrastructure and integrity of home.
6. **Home Abandonment.** If a tenant is deemed to have abandoned the home or lot (i.e. the tenant has vacated without notice and has not returned within 30 days or per other evidence determined by management), Management reserves the right to secure the premises, remove or store any remaining personal property at the tenant's or estate's expense, and begin legal processes as per 10 MRSA §9097.. Applicants are required to disclose whether they, or any household member, are subject to the Maine Sex Offender Registration and Notification Act. Management reserves the right to verify such information through publicly available registries and other lawful means. Dog walking should include a natural area (non sodded) for the dog to urinate. Each incident can be a separate violation.

There may be instances where the irrigation sprinkler of one home partly covers the irrigation of another home as it is near impossible to separate. Controls shall not be tampered with. Any tenant-imposed damage to lines or function shall be the financial responsibility of the tenant. It is the tenant's responsibility to pay for water to supply the irrigation lines.
2. **Wooded areas:** Cutting down trees is prohibited as there is a 50' no cut zone around the property and setbacks in other areas. Tenants may not cut any tree without written permission.

The potential purchaser must be approved by Management ten (10) days prior to closing. Approval is based upon selection criteria, as set forth in Section C of these Rules, and any approval given is subject to the potential purchaser completing all of the requirements of that Section C prior to the closing of the purchase (including but not limited to payment of the entrance fee and acknowledging receipt and acceptance of these Rules), and on the tenant's and the potential purchaser's full compliance with these Rules.
